

Epigenetic Healing Cycles: Your DNA Is Not Your Destiny

Self-Testing Self-Balancing Self-Healing

The perfect class for a time of social distancing. No previous knowledge or training required. A class designed for beginners to the field of Kinesiology while offering new, extra skills and understanding for seasoned kinesiology students and practitioners.

The **Epigenetic Healing Cycles** class will teach you an elegant protocol working with a menu of 20 activation pathways to switch on/off your genetic buttons. If you're familiar with Touch For Health Kinesiology®, a number of those skills are integrated into this process while new balancing reflexes are also presented. If you are new to this field, this class is geared for total beginners. Certified Touch For Health Kinesiology® instructors can get certified to teach this class fairly quickly.

- **In this workshop you will learn:**
 - How release the impact of negative emotions
 - Pin-point and clear common universal fears and stressors
 - How to uncover and integrate buried emotions
 - Multiple energy balancing cycles to-
 - ∞ Strengthen your physical and emotional resiliency
 - ∞ Increase your stress tolerance
 - ∞ Soothe and calm overwrought states
 - ∞ Safely release deeply held anger and frustration
 - ∞ Release stagnant, toxic lymph and it's associated muscle pain
 - ∞ Restore balance to the body's energy circulation meridian system

If you ever wanted to learn 'energy work' for helping yourself or others...this is the class for you.
If you have ever been muscle tested and wanted to learn in how to self-test...this is the class for you.
