

Emotional Clearing for Horses

Date: Friday, October 13, 2023 (9:00 am-6:00pm)

Location: in person Chapel Hill/Graham, NC OR Online

Fee: \$175

Bring: lunch, water, snacks

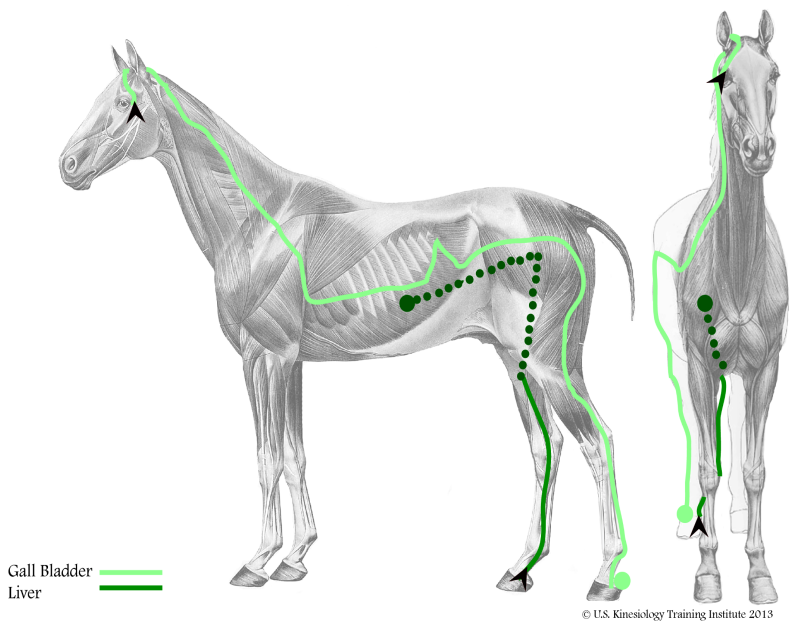

In this workshop discover how to use the three-step process of:

- Setting well formed and focused goals for you and your horse
- Uncovering and clearing emotional issues
- Balancing your horse's energy system to enhance its neurological function

The **Goal Alignment and Emotional Clearing Process** will give you new insights and a deeper understanding about your horse's attitudes and inclinations. You will be able to create new positive, healthy behaviors and connect more deeply with your horse. With emotional clearing, quickly release and transform old fears, traumas and resistance. Learn how with this process you can work together to achieve your shared dreams and help your horses lead happy, healthier, more aligned lives.

You will learn:

- The art and science of muscle response testing (kinesiology) for horses.
- The 'discovery process' of asking well formed questions to discover your horse's challenges and aspirations.
- How to set positive and well designed goals for horses.
- Aligning a horse's system to integrate new goals, attitudes and behavior.
- How to use cutting edge acupuncture principles, (no needles) to help horses and people change behaviors and release stresses, fears and worries.
- Why targeted emotional clearing is essential for transformation and how to incorporate it into the balancing process.
